positioning

Extended and renovated in 2017, Coin de Mire Attitude is a 3-star sup hotel where one immediately feels at home. It is situated at the northern tip of Mauritius, between the fishermen's village of Cap Malheureux and the lively village of Grand Bay. Across the road from the beach, the hotel faces one of the most stunning views the island offers: the majestic rock Coin de Mire sitting on the horizon. The exotic garden planted with coconut trees, bougainvilliers, filaos and flamboyant is a real invitation to discover the island and its numerous facets.

The architecture is typically Mauritian. The just like home decoration contributes to the luminous and airy atmosphere throughout the hotel right to the Spa. The 122 rooms, some specially designed to welcome families, are all dressed with rattan furniture, travel trunks, hints of ethnicity and shades of blue-green.

Holidays at Coin de Mire Attitude are a real mix between being relaxed and adventurous. The vibes are genuine. Families, couples and solo travelers are warmly welcomed by the Family Members. The mini-club Ayo le Dodo is one of the children's highlight.

Those who are adventurous and curious will appreciate its ideal location to set off and discover the island: dinner in a local home, a bicycle ride in the neighbourhood and off the beaten tracks, a day at sea and several other Otentik Attitude experiences to pick and choose from.
