Situated along the North coast, in Anse la Raie, Paradise Cove Boutique Hotel is an adult* exclusive hotel. It is now thought and designed to bring about this urge to just be together and share friendly or precious you&me moments.

As one steps in, the impression is that this place mixes classical grandeur with contemporary chic. The architecture and décor are traditional, exotic and timeless. Under an amazing and gigantic thatch roof, the wood and soft colours mellow the light... a prelude to what follows.

The revamped boutique-hotel now boasts 75 rooms with view on the Cove. Allying a contemporary touch and exotic decoration, the rooms and their new spacious bathrooms are cosy and chic.

The Cove shelters a new swimming pool. Those fond of intimate havens will choose its numerous love nests to share calm moments together. At the far end, the Peninsula, overlooking the turquoise lagoon and offering a spectacular view on the northern islands, has been totally rethought and creates the surprise. Wood, thatch, coconut trees, bougainvillea, infinity pool... A friendly new bar and Peninsula restaurant

with its' by the sea and trendy atmosphere.

The hotel offers a large choice of land and nautical activities. The enlarged spa under its majestic tree is a haven of wellness. A new early arrival and late departure lounge with its individual cabins, a convenient and comfortable area, ensures the well-being of guests. For half-board and all-inclusive guests, a Dine Around experience in 3 of the 4 restaurants. At sunset, live acoustic music and piano-bar are an absolute guarantee of a nice evening.
