This new holiday complex is located only 100m from the beach on the peaceful north-western coast of Mauritius, in the heart of the seaside village of Trou aux Biches. Whilst the center of Grand-Bay, with its shops, its restaurants and its night life is only 15 minutes away, the residence retains its sunny and calm environment, the perfect place to enjoy a cosy break. One of those places one wants to come back to.

From the hotel, Grand-Bay can be reached in 15 minutes, Port-Louis, capital of Mauritius, in 30 minutes, and the airport in 1 hour and 15 minutes.

This new Apartment Hotel offers daily 3* hotel services.

The Be Cosy Apart Hotel has been designed to provide maximum comfort within 4000 m² of tropical landscaped gardens hosting an outside swimming pool.

The impact of this new residence on the environment is limited thanks to innovative techniques, complying with the requirements of sustainable development, which have been incorporated into the project.

Be Cosy offers 102 fully equipped air-conditioned apartments, ready for use, ranging from studios to 2 bedroom apartments on 2 floor levels.
