A unique boutique hotel in Mauritius

Paradise Cove Boutique Hotel offers an innovative concept to its guests: you&me moments. Situated on the North coast of Mauritius, at Anse la Raie, Paradise Cove Boutique Hotel is the ideal address for an escape and happy moments together.

It is an adult* exclusive hotel for friends, couples and honeymooners thus guaranteeing a peaceful and tranquil holiday.

The hotel, with its 67 rooms, combines harmoniously the Mauritian traditional architecture and contemporary exotic decoration. Wood everywhere... a true witness of the influence of the original East India Company's style. The open spaces bathed in sunlight suggest a serene and refined décor. The hotel allows each one to enjoy peacefully the beauty and character of the spot. Those fond of intimate havens will choose the cove and its numerous love nests to share moments together.

At the far end, the Peninsula with its new infinity pool overlooking the turquoise lagoon offers a spectacular view on the northern islands; its Indigo restaurant and Pop-in bar is a real invitation to those looking for a vibrant and trendy atmosphere by the sea.

Numerous nautical and land activities are available. There are four restaurants and a Dine Around experience. At sunset, live acoustic music and piano-bar are an absolute guarantee of a nice evening within a convivial atmosphere.

All of this together with its attentive and smiling Family Members, its personalized service, its Club Lounge and Spa, Paradise Cove Boutique Hotel is the place where you&me can share moments... totally unexpected, therefore so exceptional...

Quiet moments move slowly by... in one of our tucked-away love nests

DO NOTHING

The freedom of doing nothing...
Curled up in a lovenest, just the two of you,
the sun and the sound of the waves.

STAR WATCHING

Is the sky the same on this side of the world?
Look up and gaze at thousands of twinkling stars... Do
you recognize them?

RISE WITH THE SUN

The singing of the birds announcing daybreak... Sitting in
front of the sea and watching the sun rise with a cup of
hot coffee. Is there a better way to start the day?

Moments you will remember forever...
