## DO NOTHING

The freedom of doing nothing...  
Curled up in a lovenest, just the two of you,  
the sun and the sound of the waves.

## STAR GAZING

Is the sky the same on this side of the world?  
Look up and gaze at thousands of twinkling stars...  
Do you recognize them?

## RISE WITH THE SUN

The singing of the birds announcing daybreak... Sitting  
in front of the sea and watching the sun rise with a  
cup of hot coffee. Is there a better way to start the  
day?
