

PRASLIN

Heliconia Grove – Self Catering Apartment

Location

Heliconia Grove is situated on the beautiful island of Praslin, 100 meter from the stunning beach of Cote D'or.

General Presentation

The 8 Self Catering Apartment lies on 3.5 acres of land with 100 metres beachfront. All Villas are stand alone units designed with Seychellois Architecture style and surrounded by lush landscaped gardens with emphasis on keeping nature in the foreground. All the villas are equipped with the most modern eco-friendly cooking facilities. The kitchen and living rooms are totally separate from the air-conditioned en- suite bedrooms which are furnished with king sized beds exquisitely decorated with surrounding mosquito netting. Except for the 3-bedroomed log cabin comprising an immense open veranda, all other villas have their own open air deck with sun loungers and a "plunge pool" fitted with UV clarifier to avoid excessive use of chemicals. The villas are also equipped with solar based hot water systems while a bank of 40 photo-voltaic panels provide over 30% of the estimated electricity consumption. The architecture is Seychellois-creole with exposed wooden roof structure ensuring a serene and relaxing atmosphere..
