positioning

The eco-committed seaside hotel for adults

In the North of Mauritius, along a still protected coast, Lagoon Attitude has idly settled on the shores of the very wide Anse la Raie lagoon.

An increasing number of travelers are looking for a more responsible tourism. Lagoon Attitude is certified Travelife Gold for its continuous efforts towards social and environmental sustainability practices. Definitely eco-committed, Lagoon Attitude will pursue its engagement towards the protection of the island and its environment, consolidating the on-going projects while implementing new ones: the educational and interactive Marine Discovery Centre and its snorkelling trail whose purpose is to show and protect the treasures of the lagoon or the blue net bags program aiming at picking up even the smallest rubbish, contributing thus to clean the oceans.

Lagoon Attitude has also decided to suppress all single-use plastic items throughout the hotel.

Here, one cannot resist the call of the ocean with a broad range of inviting nautical activities, mostly non-motorized: stand-up paddle, kayak, windsurf, excursions on board the hotel's catamaran among many others.

Its typically Mauritian architecture and seaside decoration merges harmoniously into the surrounding nature.

The magic of the place is overwhelming. The 182 rooms, some with an outside whirlpool, have all this seaside atmosphere. The spa POZ offers a selection of treatments evidently inspired by the Mauritian nature. Flavours and tastes are in tune with the rest: a Dine Around culinary experience in 3 of the 5 restaurants.

This 4-star adult-only hotel is ideal for a fun or a peaceful holiday with a choice of 3 very different atmospheres: the Otentik area hosting Kot Nou and Taba-J restaurants is the perfect venue for all those fond of local specialties; the lively area with its Seabreeze Bar, facing the sea, an unavoidable meeting place for a drink; and last but not least, a laid-back area calm and peaceful, hosting an infinity pool and a gastronomic restaurant.

In this exotic setting, the service provided by the caring Family Members is a true reflection of the Mauritian hospitality.

UPCYCLING

Upcycled decorate items and pieces of furniture are now fully integrated in the hotel's rooms and common areas.

ECO-WORKSHOP

Creation of workshops, giving a new life to scrap: mineral sun cream, bags etc.

BLUE NET BAGS

Even picking up the smallest rubbish is a great contribution to cleaning our ocean. We can all volunteer to be eco-responsible and we encourage our guests to do so. (Every little bit helps!)

MINERAL SUNSCREEN

100% natural and non-polluting. This Made in Mauritius product reduces the risks of damage on coral and underwater life. Available for free at the hotel, during your entire stay!

MARINE DISCOVERY CENTRE

An educational and interactive center whose purpose is to show and protect the treasures of the island's lagoons as well as support the Anse la Raie lagoon ecological restoration project. Come and meet our scientists who will share their passion for the ocean with you!

SNORKELING TRAIL

With a mask and a snorkel discover this underwater marine zone. Although wet and fun this consciousness-raising activity is educational and allows all to be aware of the fragility of underwater life and of the urgency to protect it.
