

Pirogue Lodge

Fact Sheet

Info

Along the northern coastlines of the picturesque Praslin Island lies Pirogue Lodge, a charming, family owned small hotel consisting of 6 standard rooms, each facing the sea. Nicely decorated with simple wooden furniture and paintings from our local artists, each room radiates the creole serenity and calm. A private veranda furnished with traditional, relaxing chairs is there to capture the azure ocean view. The warmth of the Seychellois smile and the amicable staff is the perfect way to enjoy a home away from home, with the white, sandy Cote D'or Beach located merely seconds from you.

Location

Praslin, the second main island of the Seychelles archipelago, the most famous amongst visitors, is the home to a few natural wonders such as the Coco-de-Mer nut, Black Parrot and Anse Lazio Beach. Amongst these wonders features a welcoming establishment, Pirogue Lodge, which guarantees a soothing holiday, along the white sandy Cote D'or beach. The island is accessible by boat (1 Hour in the Cat Cocos Catamaran) and by plane (15 minutes flight in the Air Seychelles plane). Pirogue Lodge is merely 15minutes drive away from the Baie Ste Anne Jetty and 30minutes drive from the Amitie Airport. Cote D'or which was traditionally a fishing village is the home of most of the island's diving centres, fishing and island excursion quay. Smaller islands ideal for excursions and snorkelling trips lay closely by - thus the supreme location for a relaxing stay.
